BATHROOM STYLING

## Product Catalogue 2025

**MADE  
WITH  
QUALITY**

# About US

At Caliware Bath, we believe that elegance lies in the details. Founded with a passion for refined design and lasting quality, Caliware offers premium bathroom fittings and accessories that transform everyday spaces into luxurious retreats.

Every product we create blends timeless aesthetics with reliable performance — carefully curated to meet the modern homeowner's desire for both beauty and functionality. From minimalist fixtures to sophisticated finishes, our collection is designed to elevate your bath experience.

As a proud brand, we are committed to craftsmanship, customer satisfaction, and delivering exceptional value. Whether you're renovating, designing new spaces, or enhancing your current décor, Caliware Bath is your trusted partner in premium bathroom solutions.

**Caliware Bath – Where Style Meets Function.**

All Caliware products come with complete inspection.  
Proper installation ensures excellent and reliable performance.  
The products warranted against all manufacturing defects.

## CONDITIONS OF WARRANTY

### Warranty Period:

- Faucets: Covered upto 10-year warranty for defects in material and craftsmanship.
- Spindle Cartridges: Covered upto 2-year warranty.
- Flexible Sink Cocks: Covered upto 1-year warranty.
- Health Faucets/Showers/Telephone Shower: Covered upto 1-year warranty for defects in material.
- PVD Colour coated items: Discoloration due to specific water or chemical cannot come under warranty. Manufacturing defect will be addressed.

### Coverage:

- The warranty covers manufacturing defects under normal residential use, including faucet bodies, finishes, and functional parts. Commercial use get half warranty of residential.
- The cartridge warranty covers only manufacturing defects and malfunctions.
- The flexible sink cock warranty applies to defects related to material or workmanship within the specified period.

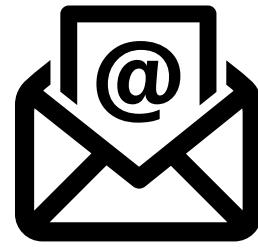

### Exclusions:

This warranty does not cover:

- Damage caused by improper installation, misuse, or alterations.
- Issues due to wear and tear, including scratches, discoloration, or natural aging.
- Damage from hard water, aggressive cleaning agents, or accidents.
- Labor costs associated with installation or replacement.

### Maintenance and Care:

- Use mild, non-abrasive cleaners and soft cloths to maintain the product's finish.
- Avoid harsh chemicals or abrasive materials.
